Sponsorship & Exhibition Opportunities

We cordially invite your company to become a sponsor and/or to join the exhibition at GAMM 2019!

The exhibition is an integral part of the conference, providing attendees with the opportunity to update themselves on the latest technical developments. Furthermore, it presents our industry partners with the chance to interact with a great number of key decision makers and potential new clients. The exhibition will be combined with coffee break areas, thus ensuring maximum exposure and visibility for your company as well as a flow of visitors to the company booths throughout the entire conference.

Your support is essential for the success and attractiveness of the conference and will be highly appreciated by the organizers. We would be pleased to welcome you in Vienna!

Please submit the attached application form to secure your sponsorship and exhibitor space as soon as possible!

Please see below details of the different sponsorship and exhibition packages.
